

Notes that make us proud of Dial-a-Nurse®:

"...In addition, the very real compassion and true instinct your nurse displayed is not something which can be taught, she obviously has chosen the right field. She managed to maintain a level of professionalism, composure and skill that was nothing short of exemplary." —Wendy K. Rex

"Please accept my deepest appreciation for the gentle and kind care all the five nurses offered to Luella in her last days. She could not have been better served." —John Hind

"Your people were so helpful to us and so kind and caring to my husband. We could not have asked for more capable people." —Naomi Parks

"The compassion, professionalism and practicality of the Dial-a-Nurse staff was very reassuring during a very stressful time for our family." —Karen Tailford

"Your nurses did an outstanding job of taking care of my wife. Please thank them for me and my family." —Stewart D. Daniels

"You can't know the deep gratitude one has for those who ease the pain of our loved ones. Throughout my mother's illness, Dial-a-Nurse tended her with professionalism, dedication and warm caring." —Lee Vineiguen

"I would like to thank each one of the nurses, from the bottom of my heart, for all the loving care they provided. They were all extremely kind, considerate and compassionate." —Bill Kollar

"I truly appreciate the level of compassion and competence of all your staff." —Kathy Macher

"You have a girl who should be called an angel... she is super." —Irene Gollehon

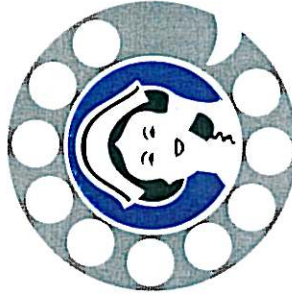

"As I leave to go home to Virginia, it's nice to know that my father will have someone he can depend on to help him out." —Carol Ford

Dedicated Nurses... Expertly Supervised

Finding qualified nurses to meet the challenges of today's needs is a tall order. But, that's exactly what Dial-a-Nurse® is doing...providing carefully screened, qualified temporary medical personnel for loved ones in nursing facilities, at home, in the hospital, hospice care and clients who need assistance with travel, shopping and driving.

Whatever the assignment, we make sure our nurses are the best available for the job, caring deeply about the job they do. We match our nurses' abilities to your requirements and schedule them according to your needs. Most important...our nurses are supervised by our Director of Nursing...a RN, experienced in all areas of needed care.

We Carefully Select Our Professionals

All employees are carefully screened, background checks performed and all references and credentials are verified to ensure they meet the high standards we demand. We have a diversity of professionals who are able to serve your every health care need. They include:

- ♥ Registered Nurses
- ♥ Licensed Practical Nurses
- ♥ Certified Home Health Aides
- ♥ Travel Nurses and Attendants

Each prospective Dial-a-Nurse® is interviewed personally, and selected based upon his or her compassion, skills and expertise in enhancing quality of life and ability to focus on the specific needs of the client. Once becoming part of our staff, they remain under the close supervision of our Director of Nursing. We constantly maintain a close liaison with each of our nurses, as well as our clients, to assure everyone's satisfaction with our services.

Health Care Is A 24-Hour-A-Day Job

We know patient needs can occur at any time of the day or night. That's why Dial-a-Nurse® is on call 24-hours-a-day, 7 days a week.

Dial-a-Nurse® will be honored to serve your health care needs. We pledge to you that we will provide the highest caliber nursing care available. Once you have tried our service, we're sure you will agree that Dial-a-Nurse® is...the nursing service with a "difference."
